

## OUR CHILDREN'S PROGRAM

It is so important for children to be centered on the truth of God's love for them! We offer different ways to encourage and foster faith conversations for kids and their families.

Our children's program starts when children enter Kindergarten through 5th Grade. We strive to partner with parents to help children **know** God through worship, **grow** in their understanding of God and **go** tell others of His great love for us.

---

*"And you must love the Lord your God with all your heart, all your soul, all your mind, and all your strength." The second is equally important: "Love your neighbor as yourself." No other commandment is greater than these.*

Mark 12:30-31, NLT

aka Children's Church  
Sunday @ 9:30  
Taylor Hall Room 203/205

Children begin worship with their families in the Sanctuary and are dismissed during worship. In our Morning Celebration and Praise, kids will continue in an age-appropriate worship time. It includes a children's sermon which is based on the sermon in the sanctuary, music, prayer and an application activity.

On the first Sunday of the month when we celebrate communion in worship, the children remain in the sanctuary with their families. This is to allow children to participate with their family.

aka Sunday School  
Sunday @ 11:00  
Taylor Hall Room 202/204/206

We use age-graded curriculum to help children learn and grow. Emphasis is put on how God impacts their lives personally, locally, and globally. Classes include Bible study, games, music, crafts, and fun! The Bible Study and the Morning Celebration and Praise have different lessons. Children are encouraged to attend both our *Morning Celebration and Praise* and *Bible Study 4 Kids*.
